

GERBANG PELABUHAN INDONESIA

SHIP AGENCY COMPANY

MINIMIZING PORT DELAYS, MAXIMIZING OPERATIONAL EFFICIENCY

About Us.

PT Gerbang Pelabuhan Indonesia was established in 2020 as a ship agency company focused on delivering professional, efficient, and reliable port services.

We understand that vessel operations at ports often face challenges in coordination, documentation processing, and time efficiency—all of which directly impact operational costs. Therefore, we position ourselves as a strategic partner, providing comprehensive end-to-end solutions to ensure every process runs smoothly, on time, and in full compliance with regulations.

Supported by hands-on operational experience and standardized working systems, PT. Gerbang Pelabuhan Indonesia is certified under ISO 9001:2015, reflecting our commitment to maintaining consistent and reliable service quality.

We believe that every delay in port operations translates into cost, and our focus is to ensure your vessel moves without obstacles.

Our Strengths

Fast Response & 24/7 Support
Always ready. Always responsive.

Strong Field Coordination
Extensive experience in managing and aligning with all port stakeholders to deliver seamless and efficient vessel operations.

Operational Understanding
Hands-on understanding of port workflows and operational dynamics to ensure efficient and well-coordinated vessel handling.

Efficient & Reliable Handling
Focused on ensuring smooth operations while maximizing time efficiency at every stage of the port call.

Transparent Communication
Ensuring clear, consistent, and proactive communication to keep clients fully informed at all times.

Mission & Vision.

MISSION

To become the preferred partner for ship owners in ensuring fast, efficient, and seamless port operations.

VISION

- To deliver fast, accurate, and high-standard ship agency services.
- To provide integrated operational solutions that ensure smooth and efficient vessel operations at port.
- To conduct business with transparency, accountability, and full compliance with applicable regulations.
- To develop a responsive, competent, and results-driven team supported by effective systems.
- To create added value for clients through time efficiency, cost optimization, and risk management.

Our Services

PT. Gerbang Pelabuhan Indonesia provides integrated ship agency services with high professional standards, designed to ensure that every stage of vessel operations runs optimally, efficiently, and without disruption across all port activities.

- Port Clearance (In & Out)**

Comprehensive handling of all documentation and permits for vessel arrival and departure.

- Coordination with Port Authorities**

Active and seamless coordination with all port stakeholders to ensure smooth operations.

- Vessel Boarding & Attendance**

Professional boarding services and on-site supervision of vessel activities during port stay.

- Crew Change Handling**

Efficient and well-managed crew change services, ensuring compliance and smooth transitions.

- Documentation & Permit Handling**

End-to-end management of vessel documentation and permits, ensuring full regulatory compliance while minimizing delays and operational risks.

- Logistics & Supply Services**

Timely provision of vessel supplies, including fresh water and other essential provisions, with a focus on quality and reliable delivery.
